Operational

Request for Documents

MA SA-1769

1. During []'s recent visit to Salzburg Base, [] discussed with him the possibility of furnishing a completed Temporary Travel Document in lieu of Passport and Deutsche Kennkarte for an agent of this base (SLA-01 of the GROSSRAUM Slovakian operation). Since the request is of some urgency, we are having it delivered to you by hand, and we would appreciate your expediting its completion.

2. For your information, the person who will use these documents has recently come out of Slovakia for training and will probably return there in two to three months as a resident agent. The TTD and Deutsche Kennkarte are exclusively for the purpose of enabling him to travel to Italy and return on private and church affairs. These particular documents will not be used in connection with an intelligence mission.

3. The pertinent personalia follow:
